

Field Trip to the Whitney Museum of American Art

Our class will be taking a field trip to the Whitney Museum of American Art on **Monday, November, 19th.** We would like to each lunch on the High Line after the museum visit if the weather is nice. If not we will eat at school.

The goal of our visit is to:

- Build background for our cultural criticism unit coming up in December.
- Continue observing the layout of museum exhibits, before creating our own in January.
- Get ideas for poster formatting as we prepare for our MLK march in January.

There is **no cost** for this trip. We will be taking the subway.
